*Patient & Family
Centred Care*

- An experienced group of family doctors that has been providing pregnancy, labour & delivery, and postpartum care at William Osler for over 20 years.
- A member of our group is at the Labour and Delivery unit of Brampton Civic Hospital 24 hours a day, every day and every night.
- Excellent & dedicated patient and family centred care.
- We promote shared decision-making and encourage your active participation in all aspects of your care.
- **Self-referral is welcome: please contact directly any of the doctors on the back.** Your family doctor can also refer to us and care will be returned to him or her postpartum.
- Doctors located all over the city of Brampton, including outer areas such as Mississauga, Georgetown & Bolton.
- **Languages** spoken by our doctors: English, French, Hindi, Punjabi, Urdu, Bengali, Tamil, Arabic, Italian, German, Korean & Estonian.
- **Flexible appointment times** are available.
